Dunedin 9012

Information sheet for the 2019 National Women's and National Open Triples

Dunedin City Petanque is looking forward to hosting the 2019 National Women's and National Open Triples for the first time in March 2019. We hope you will enjoy Dunedin as much as we will enjoy hosting you.

Getting to the piste. Below is a map of where the terrains are located and the main entry points of High Street, Princes Street or South Road.

Accommodation – This is critical... Please be aware that the Eagles are playing at the Dunedin Stadium on the Saturday night of the Triples (not too late to combine your trip to the triples with the concert as I believe there are still seats available). The problem this creates for us is that accommodation is tight if not impossible to get. **Please do not let this put you off.** We will organise places for everyone to stay or be billeted as required. If you have friends, family or acquaintances please see if you can stay there, if not let us know if you need accommodation and for how many and for which nights and we will advise where you will be. There may be a small cost associated with some places to cover costs and breakfast.

Food - We will provide: tea, coffee, and biscuits for morning and afternoon teas free of charge.

- **Lunches** will be able to be ordered before play begins on Friday and again on Saturday for the weekend. This will include a filled roll, (choice of fillings) and fruit. Gluten Free bread will be available
- **Dinner** - Dunedin City are hosting a dinner after play on Saturday at the local Mornington Tavern restaurant which will be al la carte.

We do need to know approximate numbers and dietary requirements for those intending to order lunches or attend the dinner. Please book for the dinner when you register and give us an indication regarding lunches.

For all inquiries please contact Stefany Frost on 021 717 080 or froststefany@gmail.com
