

Petanque New Zealand has the following By-Laws

1. Affiliated clubs must run all official competitions according to the FIPJP rules as adopted by PNZ, including all PNZ by-laws.
2. Only bona fide members of affiliated clubs are eligible to participate in official club, interclub and regional competitions.
3. For the purposes of these by-laws, official competitions are those that are part of a region's or club's Calendar of Events (including Club Championships). Unofficial events include casual/social club play; public and promotional events such as open days, corporate evenings, and business house games.
